

QHSE QUALITY POLICY

- > **Our Vision:** To be recognized as a leading and reliable Telecom Duct and HDPE Piping Systems Manufacturer in Sub Sahara Africa. Improving our expertise through technology and innovative solutions, always aiming for highest Quality and providing a safe working environment for all our working colleagues and visitors.
- > **Our Values:** Our values evolve around a commitment of high standards and passion towards our customers as well as being innovative within our market segments. We ensure integrity and honesty when we promote our value proposition to all stake holders and recognize people development within our business as a key factor to our sustainable growth plans.
- > **Customer focus:** As an organization we have made a commitment to understand our current and future customers' needs and to exceed their expectations by completing projects cost effectively, according to quality standards, on time and consistently.
- > **Leadership:** Our Management have committed to creating and maintaining a working environment in which people become fully involved in achieving our company objectives.
- > **Improvement:** We have committed to achieving continual improvement across all aspects of our Quality Management System; it is one of our main annual objectives.
- > **Relationship Management:** Afripipes Systems Kenya Ltd acknowledges the importance of all our stakeholders, including suppliers. We will strive to ensure good corporate governance within our business and to continually improve the QHSE Management System across Afripipes supply chain.
- > **The QHSE Policy is prominently displayed within the business facility and ensured that the policy is communicated and understood to all concerned personnel. This policy is also made available to other interested parties.**
