AFRIPIPES EXECUTIVE QUALITY/ENVIRONMENTAL POLICY STATEMENT

As Managing Director of Afri Piping Systems (Pty) Ltd, (Afripipes), it is my policy that Afripipes, a leader in the manufacture and global distribution of high density polyethylene (HDPE) telecommunication ducts, sub-soil drainage systems, components and accessories, will operate a Quality and Environmental Management System in accordance with the ISO 9001:2015 and ISO 14001:2015 codes of practice and will endeavor to continuously improve its effectiveness, to ensure customer satisfaction.

To achieve this, the Management Team has been given authority and responsibility to ensure that this policy is communicated and understood within the organization, and to identify affected internal and external parties and their needs and expectations, promote risk-based thinking in all Afripipes does, as required by the codes of practice. Such communication will include in whatever form or method, the commitment to meeting internal and external customer quality and environmental requirements, as well as any applicable statutory and regulatory requirements in the organization.

My personal commitment Quality, Environmental Sustainability is total, and is demonstrated by our objective to adhere to all the requirements of ISO 9001:2015 and ISO 14001:2015 in a sincere and ongoing manner.

As Afripipes, we will endeavor to set reasonable Quality as well as Environmental Objectives and Targets, which we will review and amend at set intervals, decided on by myself in line with the Shareholders' requirements. This policy will be reviewed at the Management Review Meetings with the aim of striving for continual improvement of the Quality and Environmental Management System, and that Afripipes is managed in a manner that will ensure that it is profitable.

For all inclusive communication, this statement is available on our website, available to all interested parties.
